

## SAVANNAH MOTOR CAR RACES BEGIN TO-DAY

Six Hundred Troops Line the Course--Ocean, Steamers and Special Trains Arrive Filled With Enthusiasts. Light Car Event First on the Program.

SAVANNAH, Ga., November 24.—All of the foreign and American drivers who are to pilot cars in the international light car and grand prize races here were called together to-night at the headquarters in the Hotel De Soto and given their final instructions for the races. The light car event—a twenty-lap event around a short ten-mile rectangle—will be started to-morrow morning at 11 o'clock, and the indications point to-night fifteen final entrants. The grand prize race of 102.03 miles, the longest road race ever run in America, will be started at 9 o'clock Thanksgiving morning, with twenty of the fastest cars representing France, Germany, Italy and the United States, entered.

### Troops Protect Course.

The conditions of the races and the rules of the course were read to the drivers to-night through interpreters, and the last doubtful points were discussed and disposed of. Everything is in readiness for the light car race to-morrow. The tiny racing machines will be sent away at half-minute intervals, and if all goes well the last of the fifteen should hardly be under way before No. 1 comes swirling down the home stretch in completion of the first lap. The unusually large number of laps to the race and the short intervals separating the cars are expected to furnish plenty of excitement. Six hundred troops are to be thrown about the racing roads, flagmen are to be stationed at the shortest of intervals and everything possible in protection of the course will be done.

### Will Go 106 Miles.

With the light car race starting at 11 o'clock, the result should be known shortly after 3 P. M. for the experts are expecting that the little racers will be able to maintain an average speed of between forty-five and fifty miles an hour. The exact distance of the race is 106 miles. It was announced last week that an additional lap would be required of the drivers in order to bring the total mileage above 200 miles, but it has now been decided to let the race stand as a twenty-lap affair.

The two absentees from the seven-team starters originally announced for to-morrow's race will be the American Aristocrat, which did not arrive, and the Grecoire, a French entrant, which George Robertson, the winner of the Vanderbilt cup and the Fairmount Park races this year, was to have driven. Robertson did not receive the car until yesterday, and found that it could not be gotten into condition to make a proper showing. The S. P. O. car which crashed into two trees and went completely through a twelve-inch telephone pole last Saturday, when Mechanician DeLoea was killed, has been practically rebuilt, and although it had not been out on the course up to to-night, it was announced as a sure starter to-morrow morning.

Herbert Connors will be at the wheel, instead of Jean Jubas, who was injured in the wreck. The revised list of light cars and drivers starting to-morrow morning is as follows:

**Cars and Drivers.**  
No. 1, S. P. O., Connors; No. 2, Lancia, Hilliard; No. 3, Chalmers, Cameron; No. 4, Lancia, Hilliard; No. 5, Cameron, Cameron; No. 6, Lancia, Hilliard; No. 7, Lancia, Hilliard; No. 8, Lancia, Hilliard; No. 9, Lancia, Hilliard; No. 10, Lancia, Hilliard; No. 11, Lancia, Hilliard; No. 12, Lancia, Hilliard.

### GLOTH AGAIN IN GAME

Five Hundred Orange and Blue Rooters Will Cheer the Team in Richmond.

[Special to The Times-Dispatch.]  
CHARLOTTESVILLE, Va., November 24.—Enthusiasm over the Virginia-Carolina football game Thanksgiving Day was at a high tide to-day. The afternoon the undergraduates, headed by the college band, assembled on Lambeth Field, and rehearsed the various songs and to-night, in Cabell Hall, a big mass-meeting was held, at which addresses were made by Professors Lambeth, Stone and Lefevre, of the faculty; Head Coach Cooke, Captain Gloth, of the varsity eleven; Branch Johnson and others.

The procession of students formed at the post-office and marched to Cabell Hall. Much red light was burned along the way. The final practice of the football squad was watched with much interest by a large crowd which remained until dark. The practice was given in pure white, the coaches devoting much attention to the linemen, especially the tackles. Vetterlein made a splendid showing at drop kicking.

Gloth in the game. Much joy was caused by the reappearance on the field of Captain Gloth, who ran through the signals for the first time since the Georgetown game. The big center is making every effort to get into condition. He was given a rousing send-off when he took his place in the center of the line. The day's work over, the varsity and scrub teams exchanged complimentary yells, and the players stood out for the gymnasium amid cheering.

Twenty-two players will be taken to Richmond. The squad will leave Union Station at noon to-morrow. Many students will go along on the afternoon train, but the majority will wait for the football special, which leaves at 7 o'clock Thursday morning. It is estimated that fully 500 students will go down to witness the game.

Manager Floyd announced to-night that the following officials had been agreed upon: "Mike" Thompson (Georgetown), referee; Oloot (Yale), timekeeper; Pope (Harvard), head linesman.

## AMUSEMENTS.

**Academy—"The Boys of Company B."**  
Colman-Vanderbilt; Moving Pictures.

"The Boys of Company B." "Tony Allen," said Paul Gilmore the other evening, talking of his part in the new play, "The Boys of Company B," in which he will appear to-night at the Academy, "is one of those dynamic fellows who, like a rushing wave, is forever displaying the power of his mind to the world. He is like a cyclone, an agitator in whatever waters he finds himself. Tony makes his mark on the stage by his choice, and though he goes through seventeen different kinds of hardships for his part, he never complains. He is a man of iron, and his magnetic personality is so convincing, and it is no wonder that he comes in contact with whom he comes in contact."

Charles Frohman has never made a local playgoer a better dramatic offering than "The Thief," which comes to-night. The Academy, which comes to-night, is a play of the highest order, and it is a pity that it is not more widely known. "The Thief" is a play of the highest order, and it is a pity that it is not more widely known.

**RANDOLPH-MACON TRAINING FOR CHAMPIONSHIP GAME**  
[Special to The Times-Dispatch.]  
ASHLAND, Va., November 24.—This week will be spent in light signal practice, with a single scrimmage to-morrow afternoon. The result of Saturday's game in the intercollegiate series will be the hardest fought game of the season. The men are considerably supplied up now, and this afternoon's signal practice showed them up well.

Concerning the article from Hampden-Sidney in to-day's Times-Dispatch, Coach Warren gave out the following: "Of course, Hampden-Sidney was disappointed over losing the game, just as we would have been had we lost it. The season closes next Saturday, when Randolph-Macon plays Richmond College, and another game would be rather unusual, and not likely to come off."

Hampden-Sidney has a good team that can play football; the game Saturday was the hardest we have had this year."

**BARTON HEIGHTS WIN BY SCORE OF 28 TO 0**  
An interesting game of football was played yesterday afternoon at Broad Street Park between the Barton Heights School and Richmond High School. The latter, which resulted in a victory for the former by the score of 28 to 0.

The featured game of the day was the playing of the whole Barton Heights team, especially the playing of Hardy and Taylor, while for the Richmond School, the star player was the whole Barton Heights team is about the fastest lot for their weight in the city.

**OFFICIALS FOR ARMY AND NAVY FOOTBALL GAME**  
ANNAPOLIS, Md., November 24.—Announcement of the officials for the Army-Navy game next Saturday, with the exception of the umpire, was made by Head Coach Berrian, of the Naval Academy, to-night as follows:

Umpire, of Yale, referee: Marshall, of Harvard; field judge, and Torrey, of Pennsylvania, head linesman.

**Out for Blood.**  
Any team in the city averaging 115 pounds that wishes a game for Thanksgiving training can be accommodated by calling phone 4011 after 5 P. M. to-day. Game to be played on Chimborazo Park.

**Coy Is Captain.**  
NEW HAVEN, Conn., November 24.—Edward Harris Coy, full back for two years on the Yale football team, to-night was elected captain of the eleven for the coming year.

**DR. J. J. LAFFERTY IN MEMORIAL HOSPITAL**  
The Rev. J. J. Lafferty, of Crozet, Va., is in the Memorial Hospital, Dr. Lafferty contracted a cold while attending the Methodist Conference in Norfolk. He is constantly attended by his son, Mr. Edgar Lafferty, of No. 117 West Second. His condition last night was somewhat improved.

## BOSTON BANKS TAKE RICHMOND BONDS

The Council Committee on Finance yesterday closed the sale to Eastbrook and Company, of Boston, and Hamilton and Company, of Baltimore, of \$492,000 of Richmond City 4 per cent. bonds, at the price of 98 1-2, and accrued interest, which makes the amount to be received for the bonds a small fraction above par. The bonds sold were the special issue of \$500,000 for the purpose of erecting a new contract for light and power plant, contract for which will shortly be awarded, and the balance of \$112,000, a part of the issue authorized for the rehabilitation of the gas works. Members of the committee and those familiar with the condition of the bond market, who were consulted yesterday, were of the opinion that the price realized was satisfactory, and in fact it is better than any offer received by the city in recent months. Chairman Pollard, of the Finance Committee, authorized the statement to-night that the city would have no further bonds to dispose of for the present.

**Charge Wife-Beating.**

**Too Much Swagger.**  
Bessie Hopkins, dressed in "Mistress" clothes, walks into Detective's Arms.

Preening herself while she pranced down the street in her mistress's clothes, Bessie Hopkins (colored) walked straight into the arms of Detective-Sergeant McMahon yesterday morning.

"Got 'em on have you, Bessie?" he enquired suavely. She looked at him in alarm and then gazed down at her fine clothes.

The detective caught her by the sleeve, which was not her own, and held her until the arrival of the automobile patrol.

Bessie, who was a servant for Mrs. D. Shipley, of Morris Street, charged with the assembly room of the Chamber of Commerce at 12 M. to-day, to take appropriate action on the "Mistress" clothes.
